

Classroom Management and Behavioral Supports

Bailey Education Group provides support in the following areas:

Support for Districts

- Analyze historical data to determine trends in behavior and common responses to behavior
- Provide guidance to develop and implement policies and procedures for high-risk behaviors
- Provide support for the development and implementation of Positive Behavioral Interventions and Supports (PBIS)
- Provide coaching for administrators to establish schoolwide expectations and procedures to support effective classroom management systems and behavior specific supports to reduce behaviors that result in student removals

Support for Schools

- Identify skills to reduce problematic behaviors and reduce removals from the learning environment
- Provide support for effective strategies to promote a positive school climate and culture including cultural sensitivity
- Provide targeted training to address effective classroom management strategies to reduce common behavioral missteps

Support for Staff

- Provide targeted training to provide effective classroom management strategies and behavior supports to reduce problematic behaviors resulting in removals
- Provide job-embedded coaching to increase student engagement by reducing common behavioral missteps
- Provide training to identify and manage high-risk behaviors, warning signs, and next steps
