

ACT WorkKeys™ Support

Bailey WorkKeys™ experts can work with your schools in the following ways:

Keys to Instructional Best Practices:

Professional Development:

- Examine the progression of standards assessed in WorkKeys
- Provide an overview of instructional best practices
- Analyze and develop data tracking systems for WorkKeys

Teacher Coaching:

- Model best practices and customized strategies for ALL student needs
- Create and lead WorkKeys™ focused PLCs
- Create individualized student goals and design data tracking systems

Keys to Student Success:

Student Support:

- Lead student boot camps for WorkKeys
- Design and teach customized small groups
- Model creating small group instruction based on customized data

Customized Support for Districts and Schools:

- Create customized WorkKeys pacing guides for districts
- Develop site based resources™ aligned to WorkKeys
