

MTSS/RTI Services

Bailey Education's coaches provide an array of services in Multi-Tiered Systems of Support. Below is a sample of those services.

Training

- Provide leadership training specific to MTSS
- Facilitate trainings for interventionists, MTSS leaders, and teachers to build knowledge and ensure implementation of MTSS processes
- Conduct trainings on the use of data in the MTSS process

Coaching

- Support district managers of MTSS, interventionists, principals, and classroom teachers
- Use data to initiate and manage the MTSS process
- Implement and evaluate effective academic and behavioral interventions and progress monitoring

Technical Assistance

- Provide guidance creating district-wide processes for academic and behavioral response to intervention
- Create and implement a district-wide MTSS plan
- Develop strategic, systematic, district policies and procedures to drive the MTSS process
